Saturday & Sunday, February 4 & 5, 2017

9:00 – 5:00 (with a break for lunch)

NEW TRICKS STUDIO – Albuquerque, NM

Workshop fee \$200.00

+ \$15 kit fee

Carol will be teaching her brand new Perfume Bottle workshop where students will create an unusual purse to hold a small perfume atomizer.....
for that moment when a touch of fragrance is needed!

In class you will have the opportunity to make several different patterned veneers and learn the construction so that your purse can be worn as jewelry or as used as an ornamental bottle.

The kit fee will include:

2oz blocks of yellow, magenta, turquoise, black and white FIMO Professional Clay and the atomizer. Bring your own complimentary colors of FIMO Professional if you would like to make your veneers in alternate colors.

Carol will show us how to make beautiful blends from just a few colors plus black and white to create that dramatic look.

A big thanks to Staedtler for sponsoring Carol's workshop.
