

Chop and Change workshop – Carol Blackburn

This is a technique that can be applied to many polymer projects. With just a few colours of polymer plus a little black and white we will make multi-coloured striped sheets and then change them into several different patterns to create beads and pendants.

Materials & Tools

1 block of 3 colours, such as Magenta, Yellow, Turquoise

1 block of white and black, Scrap polymer conditioned to mud

Tissue blade, Pasta machine, Marxit tool or measure

Piece of white paper and a sheet of any size graph paper, wet wipes

Rolling rod, Square wood dowel or similar about 15 cms long and 1 – 1.5 cms thick

Needle tool, Knitting needle for modelling, Piece of white paper, Tapestry needle or similar
